- We encourage all Scouts to participate, assist and lead
- Project Patrols operate in our section and all members are encouraged to lead them

- We lead the development and delivery of our program with input from all members of the section
- We develop supporting documentation for activities and adult leaders or older youth members support us with these tasks

- We seek support from our adult leaders to make sure our programs are successful
- We sometimes run activities independently of our Unit and adult leaders. Adult leaders support the planning of these activities to make sure they happen safely.
- All Unit members have the opportunity to set their own personal development goals including their progression through the Achievement Pathways
- We set the standard of behaviour in our Unit and Patrols with guidance from adult leaders
