

Scouts | Terrain – How to: Choose your language

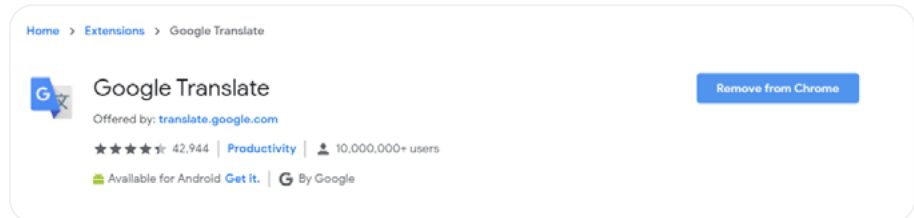

Using Scouts | Terrain in languages other than English:

Step 1

Install the Google Translate web extension to your browser:

1. For Chrome, visit: <https://chrome.google.com/webstore/detail/google-translate/aapbdbdomjkkjkaonfhkkikfgjllcleb?hl=en-GB>
2. Search for Google Translate & install this extension

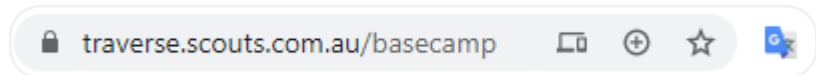

Step 2

Visit Scouts | Terrain as you would normally, through <https://traverse.scouts.com.au/>

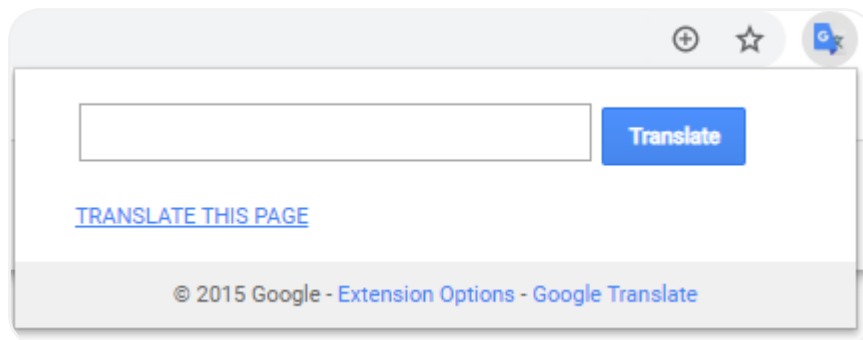

Step 3

To the right hand side of your URL bar – you can see the Google Translate button.

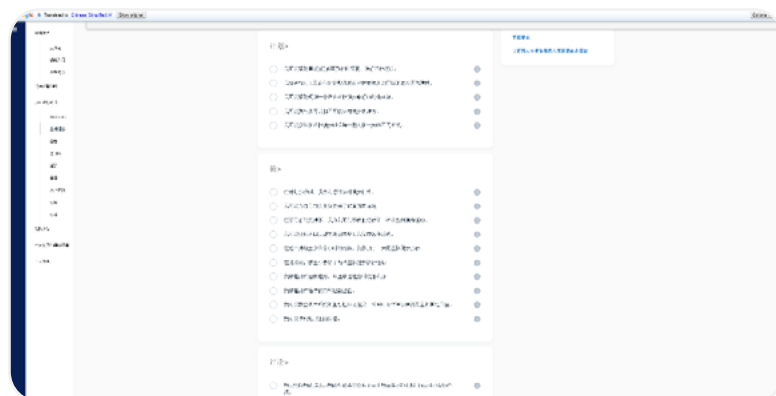

Step 4

Click the Google Translate button, and then 'Translate this page'

Step 5

Choose the language you wish to translate Scouts | Terrain into.

Step 6

Continue to browse Scouts | Terrain in your chosen language other than English.
