

# Scouts | Terrain – How to: Change your language

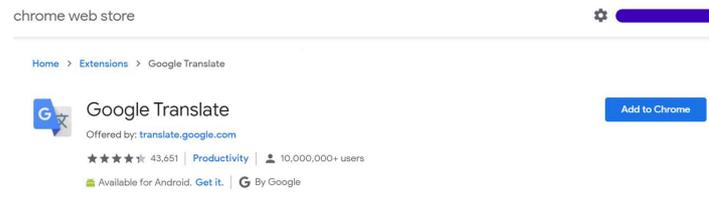

## Using Scouts | Terrain in languages other than English:

### Step 1

Install the Google Translate web extension to your browser:

1. For Chrome browser, install Google Translate by Google.
2. There are similar extensions for Firefox, Edge, Safari, and Opera that can be searched for and installed.

### Step 2

Visit Scouts | Terrain as you would normally: [terrain.scouts.com.au](https://terrain.scouts.com.au)

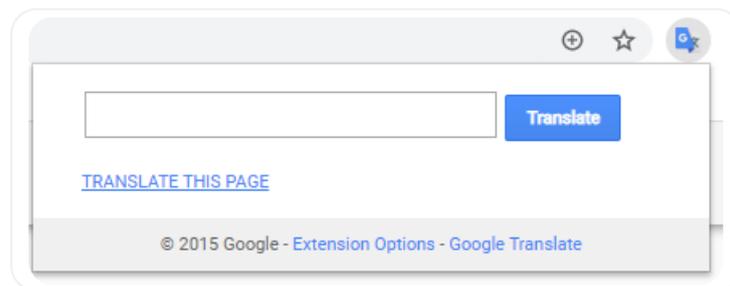

### Step 3

To the right hand side of your URL bar – you can see the Google Translate button.

### Step 4

Click the Google Translate button, and then 'Translate this page'

### Step 5

Choose the language you wish to translate Scouts | Terrain into.

### Step 6

Continue to browse Scouts | Terrain in your chosen language other than English.

It works on [pr.scouts.com.au](https://pr.scouts.com.au) as well!
