

SCOUTS | TERRAIN

Release Notes November 15th 2021

The latest release for Scouts | Terrain has just gone live. Here is a rundown of what is included in the release.

Please Note: you may need to refresh and/or clear your browser cache to access all of these items.

Notifications

- As a user, I will receive notifications within Terrain when my achievement pathway submission is approved or when an improvement is requested
- As a unit council member, I will receive notifications within Terrain when an achievement pathway requires approval
- As a unit council member, I can approve, request improvement and view an achievement pathway submission directly from notifications

Group Life / Unit Life

- As an adult leader / unit leader, I can manage a youth member's achievement pathways from Unit Life
- As an adult leader, I can download an excel file of my Group Life data

Other inclusions

- Enhancements and improvements supplementing the previous Programming update
- Various bug fixes

The above listed items have formed part of the development phase in 2021.

The support and maintenance team are continuing to progress through reported issues and bugs, and further releases will occur with these later in the year.

The team looks forward to providing further updates when they occur.
